Thanksgiving.

The President has set apart Thursday, the 18th of November, as a day of National Thanksgiving. Let it be observed especially by the people of Tennessee, as we have much to be thankful for. "Our State has been redeemed from the grasp of the destrkyer; our people are freemen once more; peace and concord exists within all our borders, and the pestilence and famine have not caused death and misery among our people."

Gov. Senter has issued his proclamation in accordance with that of President Grant's. Let all observe the coming thanksgiving as a day of general joy and fasting.

Personal. Gen. J. C. Vaughn returned from the North last Friday. He purchased a large Stock of Goods, which will arrive during the week. He will occupy the store house formerly occupied by Forkner, Johnson & Co. We wish the new firm Forkner, Johnson & Co. We wish the new trial all the success possible, and hope they will not forget the importance of making their business known through the columns of the ENTRAPRISE.
